Abstract

The backwardness of the Marathwada region in the case of Higher Education is necessary to implement laws for developing students and Society through higher education. The library up to Babasaheb Ambedkar Marathwada University, Aurangabad is a gift to rural sector student who takes higher education. the ability of book journals and several members of the library are helpful expand higher education in rural areas.

Introduction

In the state of Maharashtra circulation in the Marathwada region role of Dr. Babasaheb Ambedkar University Aurangabad Are unique in higher education.

Library is the soul of the University. Well-equipped library shows the prosperity of the University Library plays a crucial role in highly qualified professor's research students, academic students and others.

Keywords: books in the library, journal in the library, participant member in the library.

Need and importance of research:

How many books are available in the university library? How many journals? How many numbers of people use journals and books? etc. question arises idea to study the present study I present a study review number of books journals and numbers in the library of Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

The objective of the research:

1. To study the availability of books and generals in the library at Dr. Babasaheb Ambedkar Marathwada University Aurangabad.
2. To study the participant members in the library of Dr. Babasaheb Ambedkar Marathwada University Aurangabad.
3. To study the participant members in Dr. Babasaheb Ambedkar Marathwada University Library Aurangabad.

The hypothesis of research:

1. There is an increasing number of books in the library.
2. There is an increasing number of journals in the library.
3. There is increasing in participant members in the library.

Research Methodology

The present study is mainly based on secondary data the findings are Dr.awn by explanation.

Scope and limitations of study:

The studies mainly based on status of Dr. Babasaheb Ambedkar Marathwada University library Aurangabad. which is located in Marathwada region of Maharashtra state.

In present study mainly uses the available number of books, number of journals and number of participants in a university library.

Data collection:

I have used secondary data for the present study.

Sample selection:

Mainly use the number of books, number of journals, and number of participants in the library of Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

Subject analysis:

Table 1

Number of books in the library

Sr. no.	Year	No. of Books in library
1.	2024-2005	321724
2.	2005-2006	326378
3.	2006-2007	329652
4.	2007-2008	334762
5.	2008-2009	340758
6.	2009-2010	347592
7.	2010-2011	349582
8.	2011-2012	342123
9.	2012-2013	364975
10.	2013-2014	347312
11.	2014-2015	369989

Source: Annual report, 1st July 2005 to 30 June 2015, Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

In above table shows the availability number of books in the period 2004-5 to 2014-15. In this period year wise the no. of books it was are increasing in the year 2004-05, it was 321734 and year 2014-15 it was 369989.

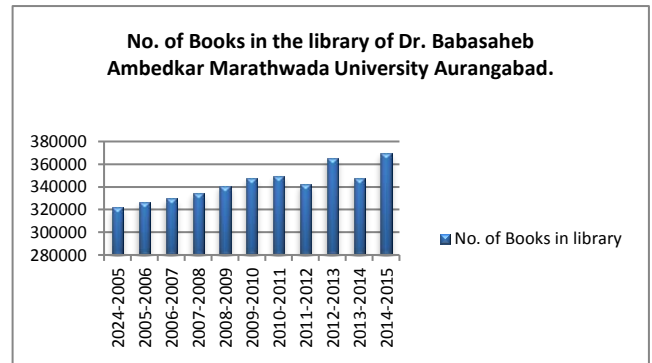

Table2

Number of journals in the library

Sr. no.	Year	Number of journals in the library
1.	2024-2005	430
2.	2005-2006	432
3.	2006-2007	425
4.	2007-2008	463
5.	2008-2009	534
6.	2009-2010	942
7.	2010-2011	492
8.	2011-2012	441
9.	2012-2013	450
10.	2013-2014	657
11.	2014-2015	462

Source: Annual report, 1st July 2005 to 30 June 2015, Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

Table 2 shows the availability of Journals in the library for the period 2004-05 to 2014-15. In the years 2004-05 to 2014-15 it rapid changes.

Number of journals in the library Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

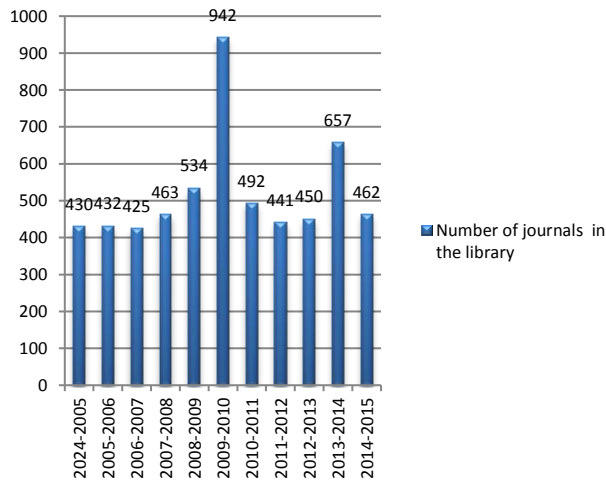

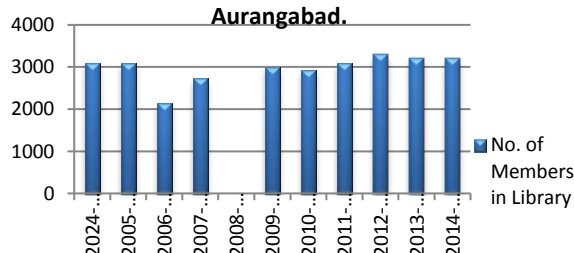

Table-3

No. of Members in Library

Sr. no.	Year	No. of Members in Library
3.	2024-2005	3098
3.	2005-2006	3084
3.	2006-2007	2137
3.	2007-2008	2729
3.	2008-2009	-
3.	2009-2010	3003
3.	2010-2011	2929
3.	2011-2012	3088
3.	2012-2013	3304
3.	2013-2014	3197
3.	2014-2015	3210

Source: Annual report, 1st July 2005 to 30 June 2015, Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

No. of Members in Library Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

In above table 3 shows the no. of Participant members in the library period 2004-05 to 2014-15. This period shows the fluctuations in it. In changes in 2014-15, it was 3210.

Findings:

1. In the period 2004-05 to 2014-15, the availability of Books shown in the Library of Dr. Babasaheb Ambedkar Marathwada University Aurangabad are in increased. (Hypothesis 1 is accepted).
2. In the period 2004-05 to 2014-15, the availability of the journal shown in the Library of Dr. Babasaheb Ambedkar Marathwada University Aurangabad is in increased. (Hypothesis 2 is accepted).
3. In the period 2004-05 to 2014-15, the availability of Participant members in the Library of Dr. Babasaheb Ambedkar Marathwada University Aurangabad is in increased. (Hypothesis 2 is rejected).
